2. Song lyrics must be reasonably Family Friendly. Think PG-13. Songs with obscene subject matter, excessive use of profanity, or songs of a suggestive nature will not be considered.
3. Each band must play 3 songs within a 15 minute time slot of stage time.
4. All participants must play the song they used to enter the contest, and were selected for.

Who can enter?

1. Any type of musical act

Voting and Judging

1. In all all the rounds: A combination of Audience and Judges Votes determine the winner.
2. Audience Votes: Each paid admission will receive one ballot. On each ballot you must vote for (2) bands from the performances. Any ballot with only one band listed or any bands listed more than once, will be void and not included in the vote counts. **NO EXCEPTIONS!**

Production

1. All bands and equipment must arrive at the Lone Star Convention & Expo Center during the designated load in time period provided to you in your acceptance letter. You must be on time. The stage slots are held to a strict time frame so all band members must be present and ready to perform in order to take the stage and compete. Please be sure to respect your time slot and the time of other contestants by being on time.
2. You are required to have a sole representative for your band present during the load in. You will be provided a time to load in your equipment and must have all gear loaded in quickly and orderly. Please make sure you have all the equipment together.
3. When you register, you will be asked to fill out the names of each member of your band, 3 songs that you are going to play, and include a link or mp3 of those files. On the night of your performance you must have **ONLY** the member that you listed on the registration. **HOWEVER**, if you would like to make a change to your lineup for your performance, that change is subject to approval by the BOTB director and must be made at a minimum of 24

hours PRIOR to your performance or you are subject to immediate disqualification. Another example: you want to add a keyboard player to your band, and they weren't listed in your registration line-up, if you notify us in advance, that will be subject to approval. If you don't notify us, no keyboard player. *These rules are here for a reason to keep the event fair and from bands stacking the deck in their favor with guest performers, or becoming a 15 piece band on show night to garner more votes.*

4, Your band will be allotted a time slot.

5. Any band that has not arrived at the convention center 40 minutes before play time will be disqualified from Battle of the Bands. There are no exceptions to this rule. You can guarantee the staff, organizers, and the other bands are watching the clock.

6. There are 10 minute set up changes allotted. In the event that a set-change runs into the band's scheduled time due to technical difficulties, the following time slots will be adjusted and you will get your full 15 minute time slot. If the set change runs long as a result of an elaborate stage setup, it is at the discretion of the stage manager to either allow the full 15 minutes, or to start the clock before you are ready. Please clear any concerns about your setup with the stage manager prior to your performance. No banners or backdrops.

7. There will be a stage manager to assist with set-up and tear-down for each band during the event. The stage manager has the final word on all time changes and adjustments.

Equipment

You will be provided: (a) a stage, (b) lighting, (c) a PA system, (d) 2 mics, (e) mic stand, (f) and stage monitors. You are responsible for all other band equipment or need for your performance.

Marketing and Promotion

1. Each band will be provided with discount codes for their friends, family, and followers convention pass. These tickets can be purchased through the website at www.kimokawaii.net.

Once you pay your Registration fee and upon acceptance, your codes will be emailed to you. Once you order them through the website you will be provided a BOTB pass when you arrive at registration. Encourage your fans to purchase a ticket using your code. Audience participation is part of the scoring process so you want as many people voting for you at the event as possible. The booking staff at KimokAawaii's Battle Of The Bands uses this to determine who is bringing the most fans and will use this information for future bookings.

2. Bands are encouraged to promote the event via all channels. We do not want every

band making their own FB event and confusing fans. Also, if you bring a ton of people to your show, and your fans are going crazy, this can only enhance the overall crowd's perception of your performance.

3. You will be promoted in various media sources including radio, billboards, social media, and the KimoKawaii Embedded Vlog Series.

4. All bands agree to have their name, voice and/or likeness, & performance used in any advertising, distribution or broadcasting material relating to this contest without compensation or right to royalties for such use.
